If one day a ruffian bullies you,
Just lift your arm that's the thing to do
With his cape he'll come from out of the blue
And cross the street to save you

Woman, man it doesn't matter
Lady, boy or both, whatever
He will stop unglamorous behaviors
He's endowed with superpowers

The name is Axel Fly

**He's so strong, he's so sly,
He will fight for you and I
Axel Fly is a super guy
From a comic strip retro
Masked behind his radio
Axel Fly is a super hero**

If you are harassed by a clown
He won't hesitate, he won't back down
With a kick, kick in the crowns
And then disappears down town

Anonymous, no one knows who it can be
His face changes in security
Who's the shadow of this city
It might be you ? Or you ? Maybe you

Maybe you're name is Axel Fly

You ! What's your name ?

The name is Axel Fly
